From the Baron & Baroness

Our Barony has been blessed with 3 mighty champions for the year's progress - congratulations to Lord Tuman Elnikov, our Defender, Lord Morien Glyndwr, our Protector, and Lord aonghus Lochlainn, our Warden. The contests were challenging and fun, and we appreciate everyone who vied for these titles. At this gathering, Syr Deotrich Hiltipard was inducted into the Order of the Golden Columbine and Lord Conchobhar O'Loingseachainn was made a Keeper of the Portcullis - outstanding additions to these noble orders. We also thank the autocrat, Elsbeth ni Ailpeine, for putting it all together and making our day easy, and the feast coordinator, Lady Amice de Fayel, who makes wonderful almond chicken.

Many, many thanks to those who travelled to the Shire of Plattfordham in August for the Questing for Dragons event. We met many new friends in a beautiful park and enjoyed a marvelous feast and dancing among other activities. Also, we very much appreciated those who travelled to Hinterland's Dragon Quest and enjoyed the hospitallity of the gentles there. All dragons have been found and returned to their watchful places in the northern reaches of the Outlands.

Coming up are many more activities which we need to plan for and enjoy. We look forward to seeing every one of you at Field of Gold where there will be activities and challenges for all. The current Champion is our own Sir Akiranaga. Perhaps you may be the next one? Come and enjoy the last huzzah of the summer tourney season, and

make it a point to meet at least 2 new people from other groups while you are having fun.

For those whose interests also include Arts and Sciences, the Queen's Prize Tournament, the Kingdom Arts and Sciences Collegium, and our own Baronial Arts & Sciences College/Competition will all occur withing the next 3 months. The Rescue of A'li and Mai-Mun will happen during the Equestrian Champion's Tournament in September. This is a one of a kind event in the Outlands, and we are privileged to have it right here for all to enjoy. We will also be selecting our new Champion of the Horse at this event, and Lady Jobita will be retiring as the premier Equestrian Champion of Unser Hafen.

Fall is when our Barony also focusses on the newer members of our 'family', hosting demos at the colleges, an intro meeting at CSU and our annual Newcomer's Tourney & Revel. This is a great event for everyone no matter how experienced you are, so don't miss it and don't forget to introduce yourselves to our newer members.

We welcome your words, your assistance, your presence, your participation, and your smiles. We are continually amazed at the talented and dedicated individuals who make up our great Barony. You help make our lives in these current middle ages fun.

We are in service to the Crown, the Kingdom, and Unser Hafen,

Thorfinn Rosalind

Officer's Reports

Unto all good gentles who come by these presents, may the sun's warmth fill you as we celebrate these last days of summer!

The camping season is rapidly coming to a close, but we have many fine events yet to come with which to while away the winter. Fall is a busy season with many demos and events. Centertainment is being organized by Sir Akira and is our way of welcoming students to the SCA. There will be a newcomer's intake meeting this month as well, organized by Lady Eleanor. Following quickly on the heels of these demos are the annual Equestrian event and Newcomer's event. Each of these activities needs your support and help. Please consider volunteering your time, your expertise in teaching a class, your old garb and feast gear (Achmed is looking for donations). As always, try be at your best and most courteous around newcomers.

Along with all the activities for newcomers to our Barony, September will see a populace meeting instead of officer's meeting. I encourage everyone to attend. We will be discussing several issues affecting the populace including the baronial tent and trailer, events happening later this year, and events for next year. Officers will be giving their reports and will be available for discussing their office with the populace. We have several new officers who would love to hear your ideas and opinions on what their office should try to accomplish.

Good health and good fortune!

Rashiqah

from the Chancellor of the Exchequer

Unto the Populace of the Barony of Unser-Hafen does Lord Mark send greetings. As of August 18th the balance of funds in our accounts was $3883.80.

In service to the Dream, I am
Lord Mark de Saint Sauveur-le-Vicomte

Greetings to the Barony from the Chronicler.

I, once again, have the pleasure of reporting to you as your chronicler. My first act as chronicler was to approach someone about taking over. Lady Graine has agreed and is in the process of learning about the ins and outs.

It has been over a year since I passed the office on to Baroness Rosalind. She has constantly reminded me that hasn't changed much except for the font. For those who remember my three plus years as chronicler, you'll remember that I love to change things. It has been two years since the cover layout, with the marvelous artwork by Lady Dubheasa, premiered. In looking back through the archives, this is somewhat of a record. But like all things it's time for a change. I haven't given much thought yet as to what that might be, but next month will feature a new cover. The one item on the cover that will remain will be the little guy with the mug. Why him? you might ask. Well he has a bit of history with The Tosspot. When I first used him on the cover he had appeared there three times already. The most notable issue being the first one. With such a history I thought it appropriate to keep him around.

One lack the archives have at the moment is art. There are quite a few old covers that haven't been used more than once, but those I tend to save for when I don't have anything else, such as this month. Another item featured on the cover are the passed devices of the populace. I know there are quite a few, including those who have moved into the Barony, that haven't been printed yet. Please send me the blazon and emblazon of your device if it is passed and has never been printed in The Tosspot. A traditional bonus to having artwork or articles (non event or baronial related that is) printed is that you get that issue free. For some of our more prolific artists this was basically a free subscription. I will try to lead by example and write an article for next month.

In service to their Excellencies and the Barony,
Robin of Bristol

From the Equestrian Guild:

August has past and September is now upon us. How quickly the summer seems to come and go. It is now harvest time and I believe that there are some horses in need of rescuing. I hope to see you all at the event, a great time will be had by all. Also, there may be some of us attending Highland Games with the horses so please come by and say "Good Day" to all of the noble mounts and their riders.

We get together fairly regularly so please contact me if you are interested in joining us.

In September, THL Brenainn Lanfhadae will speak to us on "The Book of Kells". The Book of Kells is an 8th Century Irish manuscript of the Gospels, and is perhaps the best known surviving example of Celtic illumination. We will hear about how and why this manuscript was created, and what its history has been over the past thousand years. Our speaker will bring samples of the pigments that were used for illuminating, and an excellent reproduction of the original work, so this promises to be an aesthetically pleasing as well as educational evening. You will have a chance to compare colors close to those of the original document with those of the commonly available Dover reproduction. According to THL Brenainn, there is a substantial difference.

We will meet at 7:30 P.M., September 24, the fourth Wednesday of the month, at THL Wyndylyn's House; 15912 E. Lehigh Circle, Aurora . If you have not been there before, take your best route to Hampden and Chambers. Go east on Hampden to the 2nd right, go south

on Kalispell to the "T" intersection of Lehigh Circle. Follow it west and around south until you see the banners. Come on in; the door will be open at 7:00. All are encouraged to attend. For further information, call THL Wyndylyn, (303) 680-1583, THL Brenainn, (719) 473-4973, or Master Robin Vinehall, (303) 444-5004. Period garb is optional, but appreciated.

If you are coming from Dragonspine, take Route 83 north until it becomes South Parker Road, then turn east when it crosses Hampden.

Classes for the Curious

Our Barony is blessed with many skills. We need to spread these skills further, both within the Barony and beyond. I want to foster the teaching of classes to achieve this end. In no way do I mean to detract from those classes already ongoing.

Wanted: Gentles interested in learning

Pick your subject, any subject. Tell me of a class of particular interest to you, and I will help you find someone willing to teach it. See the list below-but don't be limited by it. If you wish classes for which there are no skilled teachers to be had (unlikely, I think), then two students will be paired to both become expert.

Wanted: Gentles interested in teaching

I need names to put to these skills. You need not have years of experience; just a bit and a willingness to teach. The small ways which you have found to speed and increase pleasure in your craft must by passed on! Please tell me of your skills!

A short list of subjects wanting students and teachers:

Bread making, Archery (Shooting, Making Arrows and Bows), Sharpening Tools and Knives, Calligraphy, Scroll Layout, Illumination (Celtic Knotwork, Gothic Borders, Capitals), Brewing (Ale), Vintning (Wine), Selecting and Using Tools, Woodworking (Carving, Furniture, Inlay), Metalworking (Hot, Sheet, Twisted Wire, Jewelry), Embroidery, Sewing, Basic T Tunics, Candles, Soap, Leather Work, Bookbinding, Card Weaving, Inkle Loom, Spinning, Natural Dyes, Lace - the list goes on.

Please contact me, students and teachers, gentles within and without the Barony - Master Tamlene ap Guidgen (Steve Smith 663-1513).

HELP WANTED

WATERBEARERS NEEDED: This is a chance to contribute and get involved! Please call Elsbeth ni Alpeine (Jennifer Cullor) 484-0628 for more information.

From the Gofharraich Chronicler

Greetings from the pastures,

Help! The zuchini have invaded! Harvest time is upon us and I'm sure that everyone who thought that they could win the war by planting 1 zuchini seed have found that they were wrong! As we look foreward to the change of seasons there are also changes in our canton to tell you all about. The first change is that The Honorable Lady Lughbec has become our new A&S officer, all of us are looking foreward to the many wonderful things that she will be planning for us.

The second is that beginning October first we will be moving inside for meetings and fighter practices. We have secured two great locations, one for populace and a&s activities and one for fighter practices. The schedule will be different so please make note of it. The first and third Tuesday of the month will be held at the Brentwood aptartments clubhouse which is located at 2420 Resevoir road in Greeley, the clubhouse is located right next door to the office. Fighter practices have been moved to the second and fourth WEDNESDAY of the month at the Evans city Hall which is located at 3700 Golden in the town of Evans. All meetings and fighter practices will start at 7:00pm. Please note that during the month of October the meetings and practices end up being in the same week because of the way the days fall on the calendar, so that means that we have an every other week schedule. November, however ends up being normal.

In other news we had a fantastic Demo at the Kersey day celebration, we marched in the parade and won the trophy for most entertaining/humoruos! We then went to the park where we were very well recieved by the public, a lot of people watched the fighting and then stayed to talk to us. I would like to say a big thanks to Duke Olaf, Lady Thorhalla, Lady Ceindrych, Melora, Aramis, Samantha, and most of all my Lord husband Lorcan for helping me put on this Demo. We also recieved front page coverage in the Greeley tribune for our endeavors!

Don't forget that even though summer is drawing to an end, ther are still some great events coming up, including Fields of Gold, Highland games in Estes Park (be sure to contact Duke Irel if you are going for info on camping and gate passes) and the Unser Hafen Equestrian championship.

Until Next time, May your cattle be more numerous than your zuchini!

In Service to the Dream,
Lady Mogra

Equestrian Championship & Collegium

Rescue of A'li and Mai-mun Sept. 27-28, 1997

All equestrian and equine enthusiasts are invited to participate in some of the many activities planned during the last weekend in September at the CSU Equine Center in Fort Collins. The site will open at 8 A.M. Saturday, with opening court by 10. Mounted activities to be held (in both arenas) will include archery and spear toss competition, and IKEK heads and rings. A unique combination tourney involving the rescue of the captured A'li and his Arabian war horse Mai-mun will determine the next baronial equestrian champion. Riders must be SCA members, and must pre-register by Sept. 13. Rental horses may be available, but must be reserved by Aug. 29.

A variety of non-mounted events are planned, including an A&S competition, a bardic competition, events for smalls throughout the day, a stick horse fencing tourney, and a stick horse Saracen heads course for smalls and adults. A&S categories are as follows: 1) Barding 2) tack and horse equipment 3) horses as decoration 4) stick horses (constructed that day) 5) a bardic entry (to be performed during court) and, 6) a miscellaneous category for any other horse related A&S article. Documentation is required, with a minimum of ½ page and a maximum of 3 pages.

Sunday, Sept. 28, will feature a collegium incorporating various equestrian talks and hands-on demonstrations. If you are willing to teach a class/demonstration, or know of one you would like to see taught, please notify the autocrats. Site will open at 9 A.M., with events beginning by 10, and things should wrap up in the early afternoon. This will be a great, informal opportunity to learn more about horses and about horses in the middle ages.

Fee for both days, including lunch on Sat., is $5 if received by Sept. 13, $6 if not pre-registered. An additional $2 fee will be charged for riders. As the Caer Galen Dance Collegium and Ball is also scheduled for Sept. 27, in order to try and make both events available to all gentles, those on the guest list for the Caer Galen Dance Collegium and Ball will receive $1 off their site fee for the Equestrian event. A discount may be available at the Caer Galen event, more details will follow next month. Site is dry and does not allow dogs, and smoking is allowed only in specific areas.
